State Farm Earth Day 5K Newport News, VA

Virginia Green is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations, and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

State Farm Earth Day 5K

We are a nonprofit organization that handles land conservation.

We thought it was good to promote all green efforts.

We give out a special cup so that people don't have to use paper cups when running.
